“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.”

JEREMIAH 29:11

MACARTHUR ANGLICAN SCHOOL
Established traditions... proven success!

Annual Appeal 2012
A Digital Information and Communications Network

This will enable us to share and update information for your children with ease. Information regarding opportunities, activities, changes in daily schedules, upcoming events and emergency procedures will be communicated and updated across the campus via a network of digital display monitors.

Outdoor Seating

We are a growing campus, developing and evolving continually. We would like to provide additional seating for both Middle School and Senior School students in the Patrick classroom area. This will benefit our students, creating a more comfortable environment in which to study, learn and grow socially.

The Chapel

Our Chapel is a focal point of the School. It is used daily by students and staff. The Chapel hosts many musical performances, information nights and community events. Now in its sixteenth year, the Chapel is in need of refurbishment and technology upgrades.

As we reflect on the growth and development of Macarthur provided through the generosity of past families, we now encourage you to consider assisting current and future students by supporting the 2012 Annual Appeal.

Donations made to the 2012 Annual Appeal (via the Building Fund) will be directed toward the following projects.

Partner With Us and Make a Difference

In 2012 we would like to offer you another opportunity to contribute to the future of Macarthur and the enhancement of your child’s education.

Tuition fees and Government grants cover operational costs each year. However, this funding does not provide the finances required to continue in our efforts to create the school of excellence and to enhance opportunities we desire for your children and future generations.

Thank you to all past and present donors who have generously supported Macarthur Anglican School both financially and in kind.

Please Support Us in our 2012 Annual Appeal
