“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.”

JEREMIAH 29:11

Their future
Dear Parents, Alumni and Friends,

At Macarthur we aim to continually improve facilities available for our children. The tuition fees you pay and government grants cover operational costs each year. This revenue however, does not provide the School with additional funds to ensure further development. To assist the students to achieve the many dreams and aspirations they have, both short and long term, we ask you to partner with us.

The financial generosity of our school community in the past has assisted us in making some of these dreams a reality. Recent examples of capital development include the refurbishment of the Design and Technology rooms and additional funding by the community for the provision of vital equipment in the new buildings funded by the Federal Government.

Help Macarthur

be a better place for your children

Our Appeal

for New Shade Sails

New shade sails will enhance our outdoor areas whilst creating additional outdoor learning spaces across our school campus.

All donations to this appeal will be directed towards the purchase of these sails.

The total cost of this product based on previous projects is $80,000. You can contribute significantly by choosing to fund a particular portion.

Your generosity can, and will make a difference to our students today whilst also leaving a legacy for future generations.

Help Macarthur be a better place for your children by partnering with us to create these additional outdoor learning areas.

All donations to this cause are tax deductible.

Thank you for your consideration of this appeal.
