Student Examination Rules Year 11

Student Attendance Year 11

• During the examination period students are only expected to be at school if they have examinations scheduled for that day. In the instance that students have more than one examination in one day, students are **not permitted** to leave the campus between examinations.
• Students who wish to leave the campus immediately after their examinations for that day are completed must sign out of the examination room on a white roll.
• Students who remain at school after a morning examination will be able to go to the Library, the cafeteria or the lawn area between the Library and the Administration Centre. Year 11 students are permitted to use the Macarthur Café but numbers will be restricted to 15 at a time. Students are required to sign in and out of the café. These are the only permitted places students can be at these times.
• If a student remains on campus after the only scheduled examination for the day has been completed, but they leave prior to 2.40pm, they MUST sign out at the Heads of School Office on the Examination Attendance Sheet (separate to the Sign Out Book).
• If a student arrives at school more than half an hour before the scheduled start of an examination (with the exception of the first examination for the day), they MUST sign in at the Heads of School Office on the Examination Attendance Sheet. Students who arrive within half an hour of the scheduled start of an examination will have their names marked off on the Examination Roll.
• Students who come into school on a day where they do not have an examination MUST sign in and out at the Heads of School Office and MUST be in full School Uniform and normal driving rules apply.

Student Expectations During Examinations.

**Students must ensure they have read these expectations as distributed by the Head of School prior to each examination period.**
• Ensure that you know the correct examination room, starting time and duration for each examination.
• Ensure that your mobile phone is switched off and placed at the front of the examination room.
• Ensure that you have all necessary equipment **including a stapler or fasteners** to secure your paper.
• Sit in the examination room where the supervising teacher places you.
• Do not speak to anyone in the examination room. Do not turn around or seek to attract the attention of others in the examination room.
• Do not eat or drink apart from bottled water which is allowed in the examination room.
• Do not ask the supervisor to explain words or questions. They can only assist if you believe there is an error in the paper.
• Students will not be permitted to leave the examination room early.
• Move quickly and **quietly** into and out of the examination room. Remember others are doing examinations too and may have already commenced, or may not have completed their examination.
• Ensure that all parts of your paper are returned to the supervisor at the conclusion of the examination and write your Board Studies Number.
• Do not leave any material in the room, either at the end of an examination or after a private study period.
• No iPods or MP3 players are permitted in examination sessions.
