Drama Club Programme Information

Macarthur Drama Club is organised for students to meet once a week to participate in drama activities and learn about theatre. In 2013 students Years 5 and 6 will have the opportunity to participate in Drama Club to be held at lunchtime, with Years 7 to 12 meeting after school on a Friday. Students will be taught skills in operating theatre equipment and learn about technical aspects such as lighting and sound. Drama Club members will be involved in helping and supporting Senior Drama students in their performances using the skills acquired.

Acting sessions usually begin with a physical and vocal warm-up, then progresses to ‘theatresports’ (improvisational games) and developing specific skills such as characterisation, movement and voice. Playbuilding is another activity students participate in where they improvise and rehearse a series of scenes based on different themes and issues and then perform the scenes to the rest of the group at the end of the session.

Students will also learn about some different theatre styles and will have the opportunity to participate in various performances during the year.

There will be a continued opportunity for students interested in the AV, lighting and sound production to be involved in the Technical Support Team Club.

Students Years 7 to 12 are required to purchase Macarthur Performance uniforms in order to participate fully in Drama activities, available from the Macarthur Uniform Shop.
