The Seed Partnership Project

Macarthur Anglican School provides leading edge co-curricular opportunities and high-achieving educational results. Fees and Government funding generated does not however allow for significant future Capital Development.

Expenditure

- 72% Teaching and staffing costs
- 13% Academic Resources
- 10% Technology
- 4% Grounds and Maintenance

Only 1% remains to turn the ordinary into the extraordinary!
The Master Plan

School Council remains committed to fulfilling the Master Plan. It is for this reason we will continue to generate ongoing funds and direct them to the Seed Partnership Project.

School Council aim to be able to deliver all or part of the current focus within 3-5 years!
