Macarthur Anglican School provides scholarships to meritorious students entering Years 7, 9 and 11. The Headmaster awards scholarships on the advice of the Head of Admissions, the Dean of Studies and the Deputy Headmaster.

Purpose and Rationale of Awarding Scholarships

1. Macarthur seeks to draw and retain students of academic ability so as to assist in the raising of academic standards across the whole school.
2. Macarthur aims to provide scholarships to meritorious students whose families might otherwise be unable to afford an independent education.
3. As a school with an academic focus, students with the ability to receive an Academic, Music, Leadership or All-Rounder scholarship are well-suited to the type of education Macarthur provides.
4. Scholarships are awarded in Music because of its special focus within the School.
5. Macarthur expects its scholarship recipients to provide leadership and examples to other students in their academic rigour, spirit of service and co-curricular involvement.
6. Scholarships for All-Rounders and meritorious students from Christian homes enhance Macarthur's school culture and philosophy through co-curricular participation and character.
7. The service expectations placed upon scholarship awardees enhance the School's Christian philosophy and embody our motto, 'Enter to Learn, Go out to Serve'.
8. Macarthur seeks to attain full enrolment and the awarding of scholarships assists this process.
9. Excellent academic and music results and performances reflect well upon the School and assist in marketing its educational services. The service elements of the All-Rounder scholarships do likewise.

The Expectations and Management of Academic Scholarship Students

- The Dean of Studies has general oversight over all scholarship students. The Heads of School have a direct and specific pastoral oversight over Academic Scholarship students. Heads of School have the responsibility to care and assist in the academic development of the students, ensure that the students are meeting all their commitments and obligations and inform the Dean of Studies of general progress and areas of concern.
- In keeping with the School's motto, 'Enter to Learn, Go out to Serve' Scholarship students will be expected to:
 1. Maintain an excellent Academic record
 2. Participate in at least one co-curricular activity per year (except in Year 12)
 3. Undertake acts of service as directed by the Headmaster or his representative
 4. Maintain a positive attitude towards the School. This must be reflected in dress, bearing and behaviour.
- The Heads of School have the responsibility to monitor these expectations. Where students consistently and determinedly fail to meet all these expectations and obligations there will be cause to review the status of their scholarship and bring the matter to the attention of the Headmaster via the Dean of Studies.

Selection Criteria for Music Scholarships

Music Scholarship Applicants (All Year 7, and Year 9 and 11 external applicants)

- All applicants for Music Scholarships must audition before the Faculty Head of Music and Performance and sit the general scholarship test.
- Ideally, all scholarship students will play two instruments (a major with a support instrument). In cases where a student only plays one instrument it would be expected that they would be prepared to learn a second instrument.
- The auditioning/interview panel will complete an 'Audition Assessment' on each applicant. The Faculty Head of Music will then take the panel recommendations to the Deputy Headmaster and/or the Dean of Studies. The Deputy Headmaster and/or the Dean of Studies will compare:
 - Applicant's performance in the audition with their general academic record
 - Scholarship Examination
 - Recent school reports
 - National testing results
 - Participation in co-curricular and leadership activities
 - Enrolment interview

Applicants who are deemed to have achieved consistent excellence in their music studies and performance endeavours will be recommended to the Headmaster for a Music Scholarship.

- AMEB examinations are a **guide** as to the level expected of Scholarship students upon entry to Macarthur. While it is possible that some students have not undertaken formal Music examinations, it will be the expectation of the school that upon receiving a scholarship, the student will commence or continue private tutoring on their instrument.

- Students applying for Music scholarships would be expected to be consistent with the attainment skills of the following AMEB levels:
 - Level 1 (Year 7) - 3rd grade in AMEB
 - Level 2 (Year 9) - 5th grade in AMEB
 - Level 3 (Year 11) - 6th grade in AMEB

Music Scholarships Years 9 and 11 (Current Macarthur Students)

- Macarthur Music Scholarships (Year 9 and Year 11) - No applications for existing Macarthur students will be received for a Music scholarship in Year 9 or Year 11. One Music scholarship with a tuition discount between 30% to 50% will be bestowed upon the most deserving performer in each of the year groups based on the recommendation of the Faculty Head of Music. This scholarship may not be awarded each year.

The Audition Process

- The expectation is for orchestral and band instruments and/ or voice that the pieces are appropriately accompanied either by piano or a backing track.
- The auditioning/interview panel will complete an 'Audition Assessment Sheet' on each applicant. The panel will then take its recommendations to the Dean of Studies. The Dean of Studies will compare the applicant's performance in the audition with their general academic record, including the Scholarship Examination, recent school reports and national testing results (if applicable). Applicants recommended by the auditioning/interview panel who also possess sound academic records will be recommended to the Headmaster for a scholarship.
- Requirements of Scholarship applicants at auditions will include a demonstration of:
 - **Pieces on principal instrument** - Two contrasting pieces
 - **Music Literacy** - Musical terms and symbols, note reading and general knowledge connected to the students' chosen repertoire. Equivalent to skill level.
 - **Aural** - Recognition of beat, melodic shape and intervals. If unsure, consult the AMEB or equivalent syllabuses and your private tutor. Equivalent to skill level.
 - **Sight Reading Test** - If unsure, consult the AMEB or equivalent syllabuses and your private tutor. Equivalent to skill level.
 - **Passionate engagement** - Active and enthusiastic engagement with music and musical activities in school and/or the larger community.
