iDat: Is the preferred test for students entering Macarthur Anglican School. Students need to be 'classroom ready' or 'minimal support' in most areas for direct entry.

High School Preparation: Students entering in Year 7 to Year 11 will be guided to an appropriate High School Preparation Course as required. The length of the course is personalised depending on their English level at the time of the application.

English scores are only part of the enrolment criteria.

Review Date: This policy will be reviewed annually, with the next review scheduled for November 2026.
