Sibling discounts apply as follows

First Sibling	10%
Second Sibling	25%

The above discounts apply to students attending the School concurrently from the same family/ household.

Student Activity Levy

The Student Activity Levy covers most of the costs incurred in providing educational programmes including the initial cost of stationery, school diary, School Yearbook, sport entry and transport fees, textbook hire, excursions and outdoor education camp costs. The levy includes an amount for the provision of an electronic device to students, either as a take-home device or for in-class use depending on the age of the student.

Years 5 and 6 attend an additional overnight camp to Canberra/ Bathurst annually. The fee for this trip is included in the Student Activity Levy.

Device Options

From Year 7 iPads are issued to students and from Year 10 a laptop is issued. These devices are leased on a three year basis after which time the student owns the device. If a student has a device and withdraws prior to the three year lease expiry, the device must be returned to the School or the remaining payout figure must be finalised.

Additional Costs

The only additional costs for parents generally include extra-curricular overnight activities such as the Snowsports Programme, Duke of Edinburgh's Award Scheme expeditions, Queensland Outreach, International Study Tours and other overnight excursions that are offered from time to time.

Building Fund

The School Building Fund is a voluntary donation to the School to support the development of the future Masterplan and development of the School. Donations to this fund over \$2 are tax deductible. <https://www.macarthur.nsw.edu.au/about-macarthur/facilities/>
