From the Dean of Students

I am writing to inform you of the continuing Outdoor Education Programme for your son/daughter at Macarthur Anglican School. The Outdoor Education programme is integral to the curriculum and as such cannot be considered an optional extra. Each camp seeks to give students an opportunity to experience a temporary community where they can learn to co-exist and develop an ongoing relationship with each other in their peer group and with their teachers in a Christian context. It also allows them to face challenges they would not otherwise have and grow as individuals as a result.

Through participation in the Outdoor Education Programme students will be given an opportunity to develop and refine their skills in a wide range of activities outlined in this booklet. Participation at camp in Year 11 and 12, combined with other elements outlined on the website, contributes towards the Macarthur Award for Service and Adventure Education.

Your child's outdoor experience will include community service activities. The community service component of the camp will be conducted in collaboration with St Martin's Anglican Church, Bush Care and other local organisations serving the region.

Please read the Overnight Excursions Guidelines included in this booklet, discuss the responsible behaviour expected during the camp with your child and the understanding also that any unreasonable damage to camp property will need to be paid for.

Full details including a list of activities that each child will be taking part in during the Year 11 Programme and an equipment list are provided in this booklet.

Year 11 Camp Programme Descriptors

Outlined below is a brief description of the activities Year 11 may undertake during their camp. The activities are planned in such a way so that students begin or further develop particular skills as they progress through the sequential programme for Years 3 – 12. There is no expectation that new students entering the School will have participated in a previous Outdoor Education Programme and activities are planned accordingly.

For each activity undertaken, a member of staff from Macarthur will be present as the overall co-ordinator and supervisor. Appropriately qualified instructors will undertake the instruction, safety briefing and specifics of the activities.

- **Surfing** – a qualified instructor will teach all students the basic principles and safety procedures of surfing.
- **Kayaking** – qualified instructors will revise basic safety procedures and strokes with all students. This will include teaching students a variety of rescue techniques. All students will be fitted with a Personal Flotation Device.
- **Paddle boards** – a qualified instructor will teach all students the basic principles and safety procedures of paddle boarding.
- **Challenge** – students will look at self-esteem issues such as coping with stress and handling peer pressure. This will contribute to the learning of personal character attributes such as leadership, communication and expression of feelings. Students will develop independence preparing and cooking meals.
- **Community Service** – during camp all students will take part in a variety of community service projects. The community service activities completed at camp will contribute 20 hours needed of the 30 hours total to be completed by each student as required by the school.
- **Movie night** – students will view a movie at Ulladulla cinemas as part of the night activities of the camp. This will be dependent upon the appropriate rating of movies on offer.

Student Conduct: Overnight Excursions Guidelines (M)

Introduction

Tours/Camps conducted by the School provide an opportunity for students to represent the School to the wider community, and in the case of international tours the world. All tours/camps provide the opportunity to experience the wider world and other cultures in a safe and supervised manner.

Participation on school tours and camps is a privilege. Students participating in Tours are selected on the basis of their ability to represent the School in their chosen field and to behave in an appropriate manner so as to bring credit to themselves, their family and the School. Not all students who wish to participate in tours are permitted to attend. Very high expectations are placed on students as to their behaviour whilst on tour and the School expects students to act at all times in a manner consistent with the position of trust given to them in allowing them to participate in a tour. Students attending Camp are expected to behave within the same expectations when attending on school campus.

General

All students are expected to abide by all school rules. For example the normal rules regarding smoking, the consumption of alcohol, illegal drugs, bullying and harassment apply. While students are in school uniform or attending Camp, the rules covering the wearing of hair, makeup and jewellery apply. These Guidelines for student conduct should be read in conjunction with the School rules as set out in the School Diary.

Students that are involved in serious breaches of these guidelines should expect to be the subject of disciplinary action that is likely to lead to suspension of the student from school.

Serious breaches of the School rules or these Guidelines may result in the student being escorted home with the additional costs incurred payable by the parents.

Students are expected to follow the directions given to them by supervising teachers. This is essential for the success of the tour and the student's own safety.

It is expected that students will notify the supervising teachers immediately upon them becoming aware of any breaches of the School rules or these Guidelines.

Amorous behaviour between students is forbidden. Such behaviour is disruptive to the overall functioning of the tour party or Camp organisation.

Students are expected to behave in a manner that puts the interests and overall success of the tour/camp above their own personal interests.

Students will be required to respect the personal privacy and property of other students.

Students will be required to be on time on all occasions as required by the tour or camp leaders.

It is vital that students respect the customs, languages and beliefs of all peoples and show the appropriate respect and courtesy to all.

Students are not to borrow from or lend money to other students. Any matters concerning money should be discussed with the accompanying teachers.

Students shall not access or distribute via mobile phones, TV, the internet or print media any inappropriate or offensive material.

Sanctions and punishment for inappropriate student behaviour on tour may be delayed until a return to school to allow the smooth functioning of the tour/camp.

Accommodation

Students should inspect all accommodation for damage and broken equipment upon arrival and notify supervising staff of such damage.

Students should always attend toilet, showers and laundry facilities in pairs when these facilities are away from the sleeping areas.

Students should never visit any other room at any time without the express permission of a supervising teacher.

Students should never leave their room after lights out except in case of fire or other emergency.

Students should make themselves aware of the emergency evacuation procedures for the accommodation in which they are staying immediately upon arrival.

The last textual change to these guidelines was March 2022.
